Dr. Ing. Rudolf OWCZAREK

Ref: PULL-3170, et al

1. While working on the UJBOON case in Berlin, SAWYER told [REDACTED] that he had a contact in Berlin who could help him when he needed technical assistance. [REDACTED] noticed that SAWYER had two telephone numbers for this individual, 76-14-80 and 73-28-40. A check with CAS indicates that the subscriber to these numbers is Dr. Ing. Rudolf OWCZAREK. The first number, subject's home address, is located at Berlin-Lichterfelde, Margaretenstr. 20/a; the second number, a business address, is located at Berlin-Lichterfelde, Kaiserstr. 11. As yet we have been unable to determine the exact nature of OWCZAREK's business, although we presume he is engaged in some branch of the electrical engineering field.

2. May we please have traces. Results of our local checks will be forwarded when they are completed.
